GET READY PROGRAM

Frequently Asked Questions:

What is the CSQ funded "Get Ready" program?

The NICS, CSQ funded "Get Ready" Program provides industry-based training for career seekers in South East Queensland and other regional areas of Queensland. Providing a great foundation to progress into an apprenticeship, to build their job readiness and prepare them to transition into a career. Working on real work sites, participants have direct exposure to a variety of the "Wet Trades" and will learn from some of the most experienced professionals in their chosen industry.

What are the Wet Trades?

"Wet trades" in the construction industry encompass a range of skilled trades involving wet or liquid materials, including pain, mortar, plaster, and concrete. This category includes painting and decorating, wall and floor tiling, solid plastering, wall & ceiling lining and construction waterproofing. These trades are vital for building construction and finishing.

What is a Structured Workplace Learning Placement?

NICS will arrange one-week of structured work placement with employers that plan on hiring an Apprentice. This opportunity allows participants to demonstrate their suitability for the job.

How long is the course?

The program is expected to be completed in around 3 weeks.

What age requirements apply?

Participants must be over 16 years of age.

How much does it cost?

The course is funded by Construction Skills Queensland (CSQ) for eligible participants there is no charge to enrol in this course.
